Thread: [Exploitation of In-Game Glitches](#)

MESHAL7 - *February 27, 2026, 3:20 pm*

I'm an active player of the online game "Nidaharb3." I've been playing for quite some time and have invested over \$12,000 in the game. Unfortunately, I feel the return on that investment has been very poor, and it's honestly taken a toll on me both financially and emotionally.

I'm looking for someone who can help me add in-game currency or resources to my account to help balance out what I've lost.

I completely understand how sensitive this request is, and I want to assure you that I'm willing to compensate you fairly for your time, effort, and discretion.

(The name of the game : nidaharb3)
