Thread: [Pepsi Or Coke ??](#)

Binaryrider - February 27, 2026, 4:36 pm

I have truly been a long-time fan of Pepsi, and I honestly find the beverage addictive in the best way. The taste just hits differently the moment I open the bottle there's something about that first sip that never gets old ?.

I interchange between the two, rules are meant to be broken.

Yeah, rules are meant to be broken, but I see myself as a die-hard fan of one rather than the other. lol

Pepsi all day. Something about it is sweeter, but a more mild "punch"

And preferably the diet version.

RangoWorld - February 27, 2026, 4:54 pm

Coca Cola all the way. It is the superior beverage

Hahaha, Pepsi gang in the building! That's so true it tastes sweeter, and I always go for the original version, not the diet one. I'll definitely have to look around here to see if I can find it.

Original, because it brings back childhood memories. I used to always drink Coca-Cola at family gatherings.

Coke if u prefer better taste , Pepsi if u prefer high soda

Deany - February 28, 2026, 12:00 am

Neither. Dr. Pepper is the greatest soda of all time!

I used to drink Pepsi when I was younger but for some reason I just got hooked on Coke and now it's always in the fridge.

Pepsi is gross to me? And I love Coke and I love Dr Pepper. But I can't even really have these drinks any more all that much because I get acid reflux so bad.

But OMG I love Cherry Dr Pepper and I love Cherry Coke.

I pretty much never see Cherry Coke where I live but my long distance boyfriend took me to this pretend 1950s American diner for Valentines Day when I was down visiting in his city.

It was so nice and I had a Cherry Coke Float and it was seriously the most delicious thing on earth!

Pepsi Twist. There is something almost like a shameful pleasure in it. If I can't decide what I want it's always my fall back and if the lime version is available it's always my first pick.

Cowboy9301 - March 13, 2026, 12:43 pm

Coca cola zero sugar is the play here.
