Thanks for hosting this mate. Please consider this my entry here.

I also suggest asking a mod to do the draw and not bugging Omni with it.

Edit: if you want it done quick, then [DemonAsylum](#) or go with any staff from

I like to enter all the contests right now. If Omni has already said yes to drawing the winner then he doesn't mind. But if he hasn't then I suggest Demon Asylum the best mod who is not a mod but who will one day surely be a mod.

I am choosing to not participate because I think you are going to use your popularity in the wrong way.

Not to be the devil here but if he had 24 hours & haven't been online for 30 hours and scammed a member while stating in PM that he is done with this forum.

Isn't it time for him to be closed?
