Bloodstained: Ritual Of The Night Getting A Limited Run Physical Complete Edition

Released in 2019, Bloodstained: Ritual of the Night quickly became one of the best metroidvanias in modern history. Offering a vibrant art style, a fluid combat system, and even voiced cutscenes, Bloodstained brought plenty of flair to the standard metroidvania gameplay loop. And now, over five years later, Bloodstained is getting a new release from Limited Run Games. Preorders are officially open for Bloodstained: Ritual of the Night - Complete Edition, which is available in two different formats (one of which is packed full of collectible content). You'll need to check it out soon, however, as preorders will close on March 29. Bloodstained: Ritual of the Night - Complete Edition (Standard) Continue Reading at GameSpot
