Jason Statham

Am I the only one who likes an actor like Jason Statham? Every movie he stars in, I end up enjoying it because it's so satisfying to watch him beat up all the bad guys, haha

If you had to pick just one favorite out of them, who would you lean toward?

I like watching Keanu Reeves. Pretty sick in every movie.

Tom Cruise for sure. If he's in the movie. I have to watch it

Tom Cruise is one of the actors who rarely uses a stunt double, he's really impressive

My all-time favorite is Jackie Chan, but I can't leave out Sylvester Stallone, Bruce Lee, Jet Li, and Jean-Claude Van Damme.

I'm not from the '80s—I'm from the 2000s—but I still remember how my dad would make an effort to buy movies. Of course, none of them were original and the quality was always pretty bad, but those were the movies that were with me throughout my childhood. Honestly, they've been my favorites my whole life.

Maybe they're not the kind of actors people usually praise for dramatic or acting skills and things like that, but I just really love those action movie actors haha.

Yes, you must really like kung fu movies starring Jet Li and Jackie Chan

Jackie Chan is great more comedy fighting styles though and Jet Li is beast.

But for me Tom Hardy.

No.1 Modland

No.2 Peeky Blinders

Tom Hardy would be perfect playing a mafia character, hahaha

Sir Michael Caine is one of only five male actors to be nominated for an Academy Award for acting in five different decades. In 2000, he received a BAFTA Fellowship and was knighted by Queen Elizabeth II.

Well it's hard to pick one but i would say Cillian Murphy

Mercury - June 20, 2026, 4:24 pm

I'm going with Christian Bale. I've never seen a bad Christian Bale movie. That dude arguably pisses excellence into movies. I've heard that he's awful to work with though.
