Thread: [Pulsar Rat Compiled?](#)

timmi888 - March 5, 2026, 1:07 pm

Is there anyone that has the actual compiled exe i keep trying with visual studio and im getting errors, i know im a noob, please only comment if you can help.

update:UPDATE - willing to pay for someone to compile overlord / pulsar

SoulZeh - March 5, 2026, 1:09 pm

I would be careful about this, so many people are saying that it could be backdoored.
