Looking for Experienced Media Buyers for the Traffic Father Team | FB / Google Ads / TikTok

Hello everyone! ?

We are a traffic acquisition team working across multiple niches, including grey and black verticals. As we are expanding, we're looking for experienced media buyers for long-term collaboration.

Traffic Sources:

- Facebook
- Google Ads
- TikTok
- UBT schemes

Verticals:

- Gambling / Betting (including schemes)
- Dating
- Crypto
- Resell (clothing, jewelry, perfumes, etc.)
- Other grey niches

Who we're looking for:

- Not beginners — people who actually have experience running traffic
- You understand bans, farming, warming up, bypass methods, and scaling
- Able to test funnels and work toward results
- Responsible and easy to work with

What we offer:

- Projects and budgets
- Revenue share / fixed payments — negotiable
- Long-term cooperation, not one-time campaigns
- Team support and knowledge sharing
