TrafficFather Media Buying Team Looking for Offers / Advertisers

Hello everyone! ?

The TrafficFather media buying team is expanding and actively looking for new offers and direct advertisers.

We've built a strong team of experienced media buyers and are looking to expand our pool of offers. We are interested in CPA / RevShare / CPL / % of spend deals, private offers, and strong verticals for consistent traffic volume.

We focus on volume and long-term cooperation, not "test and disappear".

??

What we run:

We are open to working with almost any vertical, including:

- Nutra
- Crypto
- Gambling / Betting
- Dating
- Sweepstakes / Apps
- E-commerce / Physical products
- Grey and unconventional niches are also considered

??

What we bring:

- Experienced media buying team
- Our own farms / infrastructure / technical setup
- We create our own creatives and funnels
- Fast testing (24–48 hours)
- Adequate budgets
- Fast scaling without wasting time

Launch -> Test -> Optimization -> Scale.

No unnecessary questions or bureaucracy. Only results.

??

What we're looking for:

- Direct advertisers
- CPA networks with fair conditions
- Private offers
- Long-term partnerships

Need stable traffic and volume?
We are ready to start running traffic immediately.
