I remember playing Spider-Man on the first PlayStation. The cheat code was eel nats and it would unlock every spiderman version.

casper - March 8, 2026, 3:49 am

Are people still playing this game?

Aeowulf - March 8, 2026, 5:22 am

Always got to go with the classic, but 2 and 3 look smooth too.

Tom0129 - May 12, 2026, 9:14 pm

I'm really into the MK IV one, but the classic is also very cool

KtDan - June 16, 2026, 7:54 am

classic is the best for me honestly
