Thread: [Damn it, I want to learn this job fud cryp encrypter](#)

**kriminaltetic** - March 9, 2026, 7:07 am

Yes, right now I want to learn about crypter and FUD encryption from scratch. Of course, I could buy a training set, but I really need someone who knows about these things. I want to learn and get into this field, so I'm looking for someone who can help me.

There's a lot of knowledge sharing on this topic within HF itself, and besides, nowadays with a simple AMSI bypass you can bypass WD if that's your goal:

Yes, my friend, I understand, but I need someone to explain the questions in my mind to me.
