ok final review. after several orders of different services. Almost 40% is canceled/refunded, Non Drop service dropping around 10% in first week, Ultra Instant Start/ instant start mostly never work. Impressions + Engagements + Details + Profile Visits services is just view post nothing more. Ticket solving time : 1-3 days

4/10

Going to try this out for Instagram.
So far, instant delivery worked out, but will update if there are any issues.

edit: Seems like most were delivered, but as of today I can not log in on your website.

Check it out when you can, looking to get \$10.

Thanks Sesko

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

Stanley
