Crimson Desert Launch Times And Pre-Load Dates Revealed

Korean developer Pearl Abyss will launch its action-adventure game Crimson Desert on March 19, but when, exactly, can you start playing? The studio has now announced the official global launch times for the game, along with pre-loading details. You can find all the key information below, as shared by the studio on its website. Crimson Desert pre-load times: Everyone who has preordered Crimson Desert digitally will be able to pre-load the game starting 48 hours before launch, beginning at 3 PM PT / 6 PM ET. Here are more times: [Continue Reading at GameSpot](#)
