Hackers - March 17, 2026, 8:56 pm

Thanks. What is your motivation for posting a list of proxies each day and not posting anything else? I respect the effort, and I have no reason to doubt your intentions, but it just seems strange that you signed up 2 weeks ago and have literally only posted proxy lists.

Awesome, sometimes just the knowledge of helping someone & what you helped them do is enough reward

makovez - March 22, 2026, 4:17 am

thanks, awesome list, would love to see more

Jeffr0 - April 5, 2026, 9:10 am

Can you share your process of how you find/scan for these? You using custom tools? Do you have a private list of repositories?
