Can you share any info on region/country for the accounts? When were they last logged into? Do you have the matching email/etc for each and do we get emails too or is it YT only?

region are random

and i test them llast week

also i give email with full info and u can change the backup email address and add phone number

this is the format :

Email:pass:backup email : name of the channel

also to change info like pass u change after 3 or 5 day to avoid block

also i provide warranty
