Thread: [Cooligan or Zeus first to 10K Popularity?](#)

jcole - April 1, 2026, 4:34 pm

It's always been a race between [Zeus](#) and [Cooligan](#) for who can have the most pop on site. Who do you think is going to be the first to reach 10K?

[Cooligan](#)

He came online briefly spent big money for awards, bought a group with a 10K deposit on Stake as a requirement to join, and then left.
