Happy Easter Happy Easter to everyone that celebrates.

Not really religious on my end, it's always just been more of a day to get together with family and chill.

Either way, hope you all have a good one today.

What's everyone got going on later? doing anything or just taking it easy?

Happy Easter bro, Jesus Christ rose today, triumphing over and publicly shaming the powers of darkness.

Happy Easter everyone! I hope everyone has a great holiday.

If only HF still had HUM, this would be a perfect excuse to create an Easter HUM egg for a holiday award. Or perhaps a rabbit/bunny, Easter egg basket, a carrot, etc.
