Google Review Removal Service | Reputation Cleanup | Confidential & Manual Process

VOUCHES

(Apr 20, 2026 12:08 PM)Faucet Failure Wrote: [\[CITE\]](#) 9 days, but really 7 days because I was slow to post, all 5 of my 1 stars are gone, and I am back to a 5 star.

The process was quick and easy. even with text based reviews on all but one of them(harder), and getting all of them removed within a week.

Look, one of them was a legitimate review, and the rest were technically policy violations. I know this, and also know the process of getting in touch with a real human at google is about the same as it would take me to just pay the man to do it for my opportunity cost.

Proof is in the pudding on this one. If you believe the cost of removal will cost less than the impact of your business, and your ability to get new reviews, then probably pay the man

Vouch disclaimer: I was not offered a discount for vouching, but did ask for a bulk discount of 10% off for 5 of the normal rate. I just believe that good service deserves a good review.

Stanley - September 6, 2026, 6:53 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
