Thread: [Free - EntryHTTP Botnet - HTTP/Botnet Source - DOWNLOAD](#)

C00Lssh - April 18, 2026, 3:05 pm

Hello Everyone,

Another find from the archives the ole EntryHTTP Botnet.

Please use with caution. I am NOT responsible for any use cases. Also i have not checked for old back doors, download/USE at your own risk!

Cheers!

Download it mate and find out ;), i am not sure or want to explore :)

Futureman - April 20, 2026, 3:22 am

Well, the File is gone, could not Download it :/

Ramboly - April 20, 2026, 1:14 pm

Im about to dw will see what comes out of it :)

Futureman - April 28, 2026, 1:49 am

Will you update the download link? The current one isn't working.
