Good luck for award lovers

Btw why 42 exactly? Why not 40 or 50 ?

**Chrome** - April 20, 2026, 1:29 pm

I reckon you should throw out an additional bonus award to anyone that buys one of each of the leaves. Just to incentivise people to purchase more awards.

You'll get a lot more sales that way.

**Mercury** - April 20, 2026, 1:37 pm

Happy 4/20 everyone. I only indulge once a year and today is that day. Can't wait for later.

Maybe, but I have more to do this month so I need to be a bit reserved.

**Cooligan** - April 21, 2026, 11:53 pm

I love the awards sales graphic you made for the OP, it makes them all look super sexy. :D

I'm actually kind of surprised nobody suggested this, but since nobody else did I will:

?-? It would be really cool to make a new 4/20 Leaf award for 2026 specifically. Why?

The HF 4/20 Leaf features 6 individual leaves on the award. It'd be awesome to see a Leaf award have its leaves progress in color, totaling 6 different 4/20-style colors on one award as a special token/tribute for 2026.

I mean, what other award besides the LGBT ones would look good with a bunch of color? The 4/20 ones obviously lol.

[Omniscient](#) I can whip up a few designs using any colors or hex codes you want me to try and post them here if it's something you'd be down for? Just something I thought of after seeing this thread, realizing it's 2026, and that the HF Leaf awards have 6 individual leaves. Thought this would be a unique way of celebrating 4/20 this year since last year we got the unique rendition of the award with the Easter-Holy-Cross-Leaf version, so it'd be cool to keep that trend of uniqueness.

Maybe next year a new award but I didn't have the time this year. We did the Holy Leaf last year and I'm not a fan of every year a new one. Maybe every other year.

And while the logo and background are reverted I'll leave the awards on the page until Saturday as a few expressed interest in purchasing Friday.

Thank you.

Me being one of those people, thank you for the extension.

Okay, sounds like a plan then.

I'll create a few award designs in the coming days and send them over to you so you can have them saved well in advance for next years 4/20 awards. And yes, I'll be sure to send them in the actual HF award size, not as full images. I know that's one of your pet peeves when members submit new award designs in posts lol.
