Thread: [How to get \\$13 unlimited times](#)

Not sure if this is section for this as i dont havr a ebook made but i will be giving step by step to the method which is extremely easy to do.

What is this method? Its basically a website you join and theirs a way that you get them to keep sending you \$12 for free basically like you wont be having to spend anymoney. Ive only been doing it once a day for past month so ive only been getting \$12 a day but im sure you can do it multiple times a day to get more than \$12 a day.

I know \$12 isnt much but it adds up and its basically free money.

I will give ONE person somebody whos extremely trustworthy a free copy so they could do it themselves and vouch for it and i forgot to add im sure this only works for USA.

I wont be selling it to many people as i dont want it to get ruined. I was thinking only saleing it to 4 people and thats it and i will give personal guarantee that whatever you paid me for the method that youll get it back from this method.

First 2 Copies: \$100 Each

Last 2 Copies: \$150 each
