Cool, I'd love to participate.

Movie: Grandma's Boy: Movie is an underrated classic.

Snack: Beef Jerky & Sharp Cheddar Cubes: High protein, savory, and keeps you from crashing later.

Drink: Bodyarmor Strawberry Banana: Packed with electrolytes and has a thicker more satisfying consistency than a Gatorade.

My favorite stoner movie would absolutely be anything produced by Kevin Smith, particularly Clerks and Jay and Silent Bob Strike Back. As far as the munchies are concerned, I always go for an Italian sub. I can't get enough of those things when I'm blazing.

Thank you for this opportunity.
