LF Partner or Worker for Traffic Gen and Mail send to take part in some projects me and my business partner have lined up.

Next one starts monday if you can reliably inbox mail or get traffic another way you can still join,

Otherwise im open for all kinds of suggestions just tell me what it is you can do and well see f you are a good fir.

still lookiong for mailers and spammers

now also looking for / combined with mail sender / spammer if possible

someone offering all in 1 service for stealer / logs.

(ideally you can do all needed but if we need to get a fud or w,e for example thats fine also)

got years of experience in this as does my partner

If you got anything else in terms of skills / Software or w.e just contact me mby we can work smthing out or not

anyways have a good day !
