Hi,

Do you have any proof of success of having this work? That will help with sales.

This is a great start!

Some tips, but dont need to listen to me: Add a reference to make this proof clear with evidence this was you. in other words, open a notepad, and put a time stamp with your hf background in the pic or something like that to prove you took those photos.

Lots of scam spam recently.

This is not hate post, just feedback! wish you the best

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
