Thread: [Amazon SES 50K Limit Accounts](#)

Hi, I want to buy AWS SES 50K limit production access accounts.

I need these accounts on weekly basis.

I only need created accounts, so please no stolen/cracked/hacked accounts.

I will check account and pay. Payment via binance or any crypto of your choice.

Creators only, not working with resellers.

I can work with escrow from this forum.

Use escrow for these accounts. I've seen a lot of people online getting scammed for them.
