This is a bump! [warn]

TheComplacentOne - May 15, 2026, 8:02 pm

Hmmmmm. This seems intriguing and like a steal of a deal. Watching this. Glws op.

Thanks!

TheAutist - June 3, 2026, 6:31 pm

Does this allow you to rugpull the token and provide the obfuscation to hide that its possible from whatever sites people use to check? I'm not intimately familiar with the shitcoin market so I cant remember the ways. If this hides all that Im definitely interested.
