Thread: [Telegram Lookups | Get Phone, Name, Location](#)

Rebounded - May 15, 2026, 2:38 pm

Need information tied to a Telegram account, username, or profile? We offer reliable Telegram lookup services for due diligence purposes.

This service is intended for legitimate use cases only.

What you get: Phone Number + Name

Linked/public profile information

Basic account intelligence

Associated public data

Location

Turnaround Time

Usually completed within:

Standard: 24–72 hours

Priority: Same day (when available)

Pricing

Basic lookup: \$100 (Phone number and name)

Advanced lookup: \$600 (Phone number, name, location, associated public data, etc)

Could you please explain in more detail what exactly is included in Basic account intelligence and Associated public data?

BeHeaDt1 - September 4, 2026, 2:09 am

I need your service to obtain certain information about a specific user on Telegram. And I will pay for it. Please contact my Telegram ID: @BiGHeaDT1
