Thread: [WTB Stake.com accounts/Rental for Partnership](#)

As the title says

I WTB good stake.com account with the following specs:

1. Mainly used for Sports Wager
2. Overall in LOSS
3. Plat 3 and above
4. Have FA (full email access)

If you have I would like to see:

1. Screenshot of Statistics showing how much wagered for sports
2. List of P&L (Profit and loss). You need to ask CS about this
3. Your selling price.

IF we deal, I will need you to change the email. And will use contracts and MM here @lexi

my telegram is @airgunman
