Thread: [Every Weapon Max Prestige Level 250 in BO7](#)

oRequiem - May 19, 2026, 7:03 pm

I finally got every weapon Master Prestige (2 Prestiges) and Level 250 in Black Ops 7.
I can finally play the game ?

I honestly don't play as long anymore after getting all the camos months ago, but I think I have about 14 days played on multiplayer alone, excluding zombies, warzone, and endgame.

jeez, thats insane
congrats though!

i havent played a call of duty game since the first warzone, i just feel like they fell off so hard its just the same slop year after year for seventy bucks

It definitely fell off after BO4. I'd never recommend people to play it. If someone has the ability to never play it or quit the game, I'd recommend it.
