Thread: [Selling AWS ses SMTP \(50k 1M sending quota\)](#)

opsec667 - May 19, 2026, 7:54 pm

Hello everyone. There will be several types, SMTP only (random limit), SES with CLI access. Im selling aws ses with 50 to 1M limit depend on cracking result. Current stock : AWS SES 1M - CA-CENTRAL-1 - CLI | 1,500\$ AWS SES 1M - EU-NORTH-1 - CLI | 1,500\$ AWS SES 1M - AP-NORTHEAST - CLI | 1,200\$ AWS SES 50K - EU-WEST-2 - CLI | 450\$ AWS SES 50K - CA-CENTRAL-1 - CLI | 450\$ AWS SES 50K - AP-SOUTH-1 - CLI | 400\$ AWS SES 50K - AP-SOUTHEAST-1 - CLI | 400\$ AWS SES 50K - AP-SOUTHEAST-2 - CLI | 400\$ AWS SES 50K - AP-NORTHEAST-1 - CLI | 400\$

x10 AWS SES SMTP RANDOM (unknown limit) - 250\$/u The SMTP limit could be 50k, 100k, or even more—no one knows what the limit is! Guarantor, Escrow, and MM Recommended & Accepted. QUESTIONS/CONTACT VIA PM Please don't buy this if you don't know how to use an SMTP server—there are different methods that let you get the most out of AWS! And for those in the know, you can even open up other regions—you already know that! [contract=tid]Start Contract[/contract]

Hello everyone.

I'm out of stock of AWS 1M. Only the 50K CLI and non-CLI (random SMTP) versions are currently available.
