Thread: [I need a pdf edited that is a scanned document \(Grades\)](#)

int main() - May 20, 2026, 3:23 am

I just need to edit my friends SSN to mine and name, it needs to look like original

Only trusted members, by contract payment after completion

\$30 crypto

@Serenityxtreme telegram

[contract=tid]Start Contract[/contract]

You cant use ocr or online pdf editors it has some protection as it is a scanned document
