Thread: [Is mirai still good?](#)

Mxhidd - May 20, 2026, 7:33 am

Js curious

DramaKing - May 20, 2026, 7:36 am

If you're talking about the original Mirai, that's a joke. If you're talking about someone Mirai fork that's completely overhauled, who knows?

Thanks a lot.

yeah send me 200\$ i updated the private tools, this isnt a hsit form github hahaha but i hsave all condi if you want

eliotjames - October 13, 2026, 2:21 am

mirai is outdated, while it does still work it is very detected and well known.
