Thread: [simple hacking site and confidential information, large Argentine company](#)

dracko_verdades - May 21, 2026, 9:16 am

I know of a website that has weak security where you can access information about users, cards, employees, large companies in Argentina, anyone interested in testing vulnerabilities?

conozco una web que esta débil de seguridad donde se puede acceder a información de usuarios, tarjetas, empleados, de empresa grande de argentina, algun interesado en probar vulnerabilidades?

? ????-???? ?? ?????? ??????????????, ??? ?????? ?????????? ?????? ? ??????????? ?

Yeah shoot me a pm lets discuss business.

DramaKing - May 21, 2026, 10:08 am

The old website with weak security but needs someone else to test for vulnerabilities, eh?
