Thread: [11400 Bytes Contest](#)

Edmond Dantes - May 21, 2026, 12:24 pm

Once again, I've been upgraded by another member of the community.. so I want to give something in exchange to other members.

I will be giving away my bytes that I have (11 400)

I will draw the winner in HF convo this Sunday (24.05.2026)

How to enter: Write who is your favourite singer. Your post # is your entry number.

Since I received extra 5700 bytes, I'm making the contest 11 400 bytes (2 winners x 5700 each)

Good luck !
