Thread: [Prompt Image photography look](#)

Fr3d - May 24, 2026, 1:21 am

Use the uploaded reference photo as the ONLY identity reference.

Create a premium realistic multi-photo portrait collage featuring the exact same person replicated in 8–12 different natural lifestyle portraits, arranged in a clean aesthetically balanced collage composition.

STRICT IDENTITY LOCK:

Preserve EXACT:

face identity

facial structure

skin tone

eye shape

nose

lips

hairstyle texture

natural hairline

glasses (if present)

recognizable expression

age appearance

The same person must appear consistently in every portrait.

SCENE REQUIREMENTS:

Generate a completely new natural premium background (not the original uploaded background).

Background should feel like a modern lifestyle editorial setup: soft daylight interior / minimal studio / cozy lifestyle environment / subtle blurred background / elegant neutral atmosphere.

MULTI LOOKS:

Each version of the same person must wear different realistic outfits, such as:

casual denim look

soft pastel sweater

elegant minimalist top

cozy hoodie

chic modern casual outfit

clean monochrome fashion look

relaxed lifestyle clothing

Clothing must look realistic with authentic fabric texture.

POSE VARIETY:

Different natural poses:

hand on chin

smiling naturally

peace sign

sitting casually

looking at camera

relaxed portrait pose

candid lifestyle pose

VISUAL STYLE:

Ultra-realistic professional photography shot with a high-end 2026 full-frame professional camera (Sony A1 II / Canon R1 / Nikon Z9 II quality)

Photographic realism only.

Natural skin texture.

Realistic pores.

Authentic lighting.

Professional lens sharpness.

Natural dynamic range.

Subtle depth of field.

IMPORTANT COLOR RULE:

NO oversaturated colors.

NO cartoon colors.

NO artificial vibrant tones.

Keep tones natural, soft, premium, realistic, elegant.

Color palette: neutral soft daylight tones, warm realistic skin tones, clean editorial photography look.

CAMERA STYLE:

85mm portrait lens + 50mm lifestyle lens aesthetic

professional editorial composition

premium magazine photography

luxury portrait campaign quality

OUTPUT:

Ultra-detailed

photorealistic

clean premium collage

8K quality

natural modern 2026 photography look.
