Schwab CEO says his firm will attract new customers with wealth building instead of meme coins and gambling

Quote:“We are in the outcomes business,” said Wurster, who spoke with Yahoo Finance from Schwab’s Westlake, Texas, headquarters. The brokerage isn’t planning to add meme coins, sports gambling, or an AI-powered cash sorter, he added.

For those trying to hit a home run or go to the moon with a memecoin or an altcoin, this will not be the broker for you, haha.

I think having a good broker like Schwab might not be a bad idea.

You can open accounts on brokerage sites for free.
