I spoke with multiple guys about it, and no one was not only so professional like you, but also you have the best price in the market! Again mate hats off?

(Jan 30, 2026 01:05 PM)Missekat Wrote: [\[CITE\]](#) I entered into a contract with Mooooookie to help me

reopen my Facebook account that had been banned for very serious reasons. A task that very few would be able to handle and very few would dare to attempt.

Mooooookie really worked day and night, almost literally. He went the extra mile for me in every way. He was always super informative and even after the task was completed he still continued to guide and help me.

Many times I was about to give up, but he NEVER gave up. And every time something new was tried, he was open about it being my own choice whether we should continue, or I could always get my money back.

You can't find a better man for the job than Mooooookie. He is the absolute best!

In addition to the task at hand, he was also very responsive to all my follow-up questions about the unban process and the other services he offers. He answered everything thoroughly and professionally, which I really appreciated. To top it all off, he even matched the price of another vendor I typically use for my social media-related issues.

How To Contact Me For Service:

There are a few ways that you can use to reach out to me for service, one of them being by simply leaving a message on this thread.. and I will reach out to you via Private Message within a few hours. The second method of contacting me for service is you can send me a Private Message here on the forum.. but for various reasons, that doesn't always happen. So in the event you're unable to contact me thru Private Message here on the forum, see my Alternative Contact:

While I won't negotiate, or conduct any deals off-site.. if I'm not online, or you're having a difficulty reaching me, you can send me a message on Discord, and I will reach out to you from there. Copy & Paste my Discord Username. There have been known to be scammers who try and create accounts with similar usernames, in an attempt to manipulate buyers into contacting the wrong person.

For this reason, I recommend you to Copy & Paste @MooooookieHF and paste it into the search on Discord.

To ensure you're speaking with me, and not an imposter.. have me confirm who I am by having me send you a message here on the forum. If the person you're speaking with is not willing to confirm that they're indeed me, then you're not speaking with me.

Buy With Confidence:

Our overall objective is to make sure our customer is satisfied. We have a Perfect Selling History, and have never had any Deal-Disputes! Buy with confidence, knowing that you will get exactly what you paid for, with no issues later down the road.. and if a problem was to occur, that we will work with you to get it resolved. That's our GUARANTEE.

Don't Get Scammed - Do Your Due Diligence!

Like any other place on the internet, Hack Forums has it's fair share of Scammers and unreliable Sellers. To help Buyers get a better feel for who they're doing business with, we have a thing called a Credibility Rating. Included in this are 3 ratings.. Excellent, Average, and Poor. Each one of these numbers indicates a deal they've done on-site.

These ratings are how previous Buyers scored their deal with said Seller. While you shouldn't make your sole decision based off a Sellers Credibility Rating, it can give you a good indication on which Sellers to avoid doing business with. The higher the number, the more deals they've done on-site. If you see RED - this is a good sign that you should do your due diligence on this Seller, or might want to avoid doing business with the Seller all together, as previous buyers have had a bad experience with them.. and the Seller did not take the time to make things right before closing the contract. For more details, you can click on any Sellers Username and their Credibility Rating and get more details as to why said Buyers gave them that rating!

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
