Thread: [Lovable Pro 300+ credits on your account 1 Year \(activation link \)](#)

digital2key - May 25, 2026, 11:42 pm

20\$

What's Included:

* 1-Year Pro Lite Plan 300 Credits instantly added through a voucher link redeemable on your account

Features:

*This plan is the same as the regular Pro version, but the only difference is that you will not receive the 100 rollover credits every month.

Unlimited Projects – Create and manage projects without restrictions Private Usage – Works directly on your personal account

1-Year Credit Validity – Use your credits whenever you want within 12 months Instant Delivery – Receive the redeem link immediately after payment

Important Information:

You can use multiple vouchers on the same account at any time.

Daily Bonus:

Receive 5 bonus credits per workspace daily Up to 150 bonus credits per month
Up to 1,800 total bonus credits over 12 months

1. Purchase a new redeem link
2. Create a new workspace on your account
3. Redeem the new link on the new workspace
4. Transfer your projects to the new workspace if needed

Everything will continue working correctly after the transfer.
