Ship Nexus | Forwarding & Resale | Crypto Only | US East Coast

Ship it. Sell it. We handle everything.

Send your packages to us and we'll forward them to your destination — anywhere in the world — or sell them on your behalf. Fast, discreet, and built for serious buyers and sellers.

? Perfect for International eBay Buyers

Tired of dealing with sellers who won't ship internationally, or getting hit with massive fees at checkout? Use our US address, we receive it, and send it straight to you. No more paying inflated international fees or getting blocked at checkout. Works for Amazon US, Walmart, Best Buy, and any other US-only retailer.

? Mail Forwarding — \$20/item + Shipping

We receive, inspect, repackage, and ship it to you — internationally or domestically. Any size, any retailer. Flat \$20 handling fee per item, no markup on postage.

? Sell on Your Behalf — 40% Commission

Don't want to deal with listings? We take the item, list it, negotiate it, and close the deal. You get paid, we do the work. 40% commission on final sale price — no effort cost to you.

Preferred Resale Items — Reduced 35% Commission:

- Cameras & Lenses
- MacBooks & Laptops
- Gaming Consoles
- Drones & Action Cams
- iPhones & Smartphones
- iPads & Tablets
- College Textbooks
- Smartwatches

All other items standard 40% commission. Not sure if your item qualifies? Just ask.

? Policies & Terms

Minimum Resale Value — Items must be valued at an estimated resale of \$100 or more. Value is assessed on arrival — if your item isn't worth listing, we'll tell you straight rather than wasting your time.

Item Inspection Policy — Every package is photographed and logged on arrival. You'll receive confirmation photos within 1 business day of us receiving your item. No disputes, no surprises.

? 2-Day Turnaround — Items are processed within 2 business days of receipt. Resale listings go live within the same window.

Liability & Terms — Ship Nexus is not responsible for carrier loss or damage once an item is in transit. Items that are illegal or falsely represented void all agreements immediately and may be reported.

? Holding & Abandonment Policy — Forwarding items are held up to 14 days to send payment. After that, a 10-month holding fee applies for up to 3 months. After 3 months with no payment or contact, your item will be considered abandoned and permanently disposed of.

## How It Works

1. You Send — Ship your item to one of our US East Coast addresses, any size, any value.
2. We Receive — We log your package and confirm receipt same day.
3. You Choose — Forward it to be or sell it — your call every time.
4. Done Deal — Package ships out or payment hits your account.
