Welcome mate! I'm new here as well. Let's see what our online future holds.

Eoid - May 27, 2026, 5:12 pm

hello there!

Pr0m3th3us - May 27, 2026, 5:30 pm

Not a good start with the %30 warning but yea shit happens i guess

Edmond Dantes - May 27, 2026, 9:57 pm

Glad you are here buddy, hope you enjoy it !

Welcome to the forum OP! Take a look around and I'm sure you'll find something of interest. We definitely have a long history and plenty of interesting contributions

also rip @ the 30% warning right away, that's wild

To my knowledge, warning level is just something you have to wait out. It's definitely not the end of the world, from what I can tell it's 4 or so weeks. To what I can see the warnings were in reference to posting etiquette. You can find some information on posting etiquette in the [Help Docs](#)
