Stanley - June 14, 2026, 1:19 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I don't recommend him. I contacted him on Telegram and paid him, but he hasn't sent anything, just kept saying "wait"... and nothing. It's my fault.

Hey Placebo.sys, You started with a nice introduction of your products which attracted the buyer Okikklhb to patronized you and reading thru the chat you had with him and upon acknowledged the receipt of payment I advise you to send him what he paid for to let the matter end well. The Negative Popularity (-24) you have received so far put you in a very bad edge so avail every possibility and attend to your customer.
