Thread: [First time on this forum. Feel free to tell me anything I should know.](#)

Ian7777 - June 14, 2026, 2:52 am

Thanks.

Yanix - June 14, 2026, 2:56 am

You should check out Hack Forums [Help Docs](#) as your guide along the way.

Pr0m3th3us - June 14, 2026, 3:20 am

I use port 7777 on my dedicated satisfactory server....

Just thought you should know.

Deany - June 14, 2026, 3:49 am

Don't really know what to tell ya bro, welcome though

Edmond Dantes - June 14, 2026, 3:56 am

Welcome to the forum dude, make sure to read the documents :)

Sodan42 - June 14, 2026, 6:26 am

Welcome Ian7777 ?

Knowing too much could be negative. If that happens you will notice black cars parked mysteriously around your block, find the food in your fridge appear rearranged when you get back from work, etc. ?

Raijin - June 15, 2026, 2:29 pm

Welcome to hackforums.
