? loading encrypted image... GTA 6's cover art features the game's protagonists Lucia and Jason
Rockstar has revealed the pre-order date and official cover art for Grand Theft Auto 6.

The developer has said pre-sales of the title - one of the most anticipated gaming releases to date - will begin on 25 June, both on digital stores like PlayStation Store and other select retailers.

GTA 6 will be released on 19 November for the PlayStation 5 and Xbox Series X/S, after it was delayed twice from autumn 2025 and May.

The previous game in the series, GTA 5, was released in 2013 and is the second best-selling game of all time.

Rockstar did not use Thursday's announcement to reveal GTA 6's price.

The question of how much the game will cost remains hotly debated amongst fans and analysts.

I bet the gamers will be extremely happy with this!

Roberto Scorpious Malfoy - June 23, 2026, 9:39 am

I dont get it why ppl are pre ordering it, why not wait until it get realeased, its not that pre order is cheaper or gives you something extra

The internet as we know it will break on Thursday.

Also...I'm hard as Portland cement right now...and i don't even have a fucking console.

On a related note, 3 cagillion people will be submitting vacation requests on friday for Nov 19th...

I seriously cant wait for all the MSM news agencys to lose their mind over this game....Again...get ready for crap like this showing up for months after release and prob before LOLZ!
