Thread: [Crypter exe to bat file](#)

waffess33 - June 20, 2026, 11:03 am

Hi, i am building my own webapp RAT and everything works i can build the stub exe, but not i am on the crypter development phase, how do i create a crypter that crypts the exe to sha256 adding persistence and av-evasion to a bat file, and it decrypts it when louch. thanks
