Thread: [Hello and Happy Father's Day](#)

SebbyWebby - June 21, 2026, 1:12 pm

Hey everyone, just dropped in on the forum. Planning to explore, learn a bunch, and hopefully contribute where I can. Looking forward to crossing paths with some of you in the threads...
And Happy Father's Day ! ?

Thats fucking interesting because i don't see you posting any threads to share about these 0 DAY things you magically have for anything they happen to need. Which leads me to assume your trying to scam a new user.....or your a bot.
