Thread: [\[USA/Canada\] Earn an Extra \\$500 - \\$2000 per month with Minimal Effort \[Limited Time\]](#)

Aithan - June 24, 2026, 10:59 am

Hello HF members, hope everyone is having a great day so far.

While experimenting with some ways to increase my earnings on a project, I accidentally discovered an entirely different way to earn an extra \$500-\$2000+ per month.

On the first day you can expect to make anywhere from \$200-\$500+

Personally, on the first day I had reached \$1300+ in profits.

You need to have an initial investment of atleast \$25. This will help you start earning & the profits can be re-invested to earn more.

Pricing: \$150 Per Slot.

Day One Payouts: (ignore the withdrawals, I was buying personal things)

I've shown this to my friends and have also helped them make an extra \$300-1000+ this week. I'll post their payouts later.

Now, you may be wondering if there are any requirements to earn with this? Yes, there are.

- Age 18+ & the ability to receive payments to your bank, card, email transfer.
- A computer & phone, preferably iphone
- ID for KYC (not always)

F.A.Q

Q. Is this legal?

Yes! This is completely legal everywhere. We aren't doing anything illegal.

Q. Does this work in my country?

This works in US / Canada. Only in Ontario for Canadians.

Q. Do I need any prior knowledge?

No. You don't need any experience, I will show you everything.

I'm already in this space so it was easy for me to get started. Even if you're not in this space it's still very easy to do.

As long as you're in the US/Canada you should be able to do this method.

As far as profits I've made around \$400 so far. You can keep repeating the method aswell.

(Jul 2, 2026 01:06 PM).Magic Wrote: [\[CITE\]](#) OP gave me a discounted copy of the method, overall its good. Guaranteed way to make money with little effort. Not too hard, can easily make a few hundred within the first day. Under \$25 initial investment is true.

Willing to let MM hold funds for the first day until the \$200-\$500 is made?

podster - June 29, 2026, 9:03 am

Interesting method. Got a couple of questions

1. Need to talk/chat/ email other people to discuss or convince to buy or perform a task?
2. Is social media involved?
3. Does it involve selling, trading, exchanging, ,referring, investing, cpa, affiliate marketing ?

Thanks

This looks promising! Answer the questions above and you have my attention.

Will you let MM hold funds until I make back the money spent + first investment in this method?

Does this involve selling something? Sweepstakes casinos related?

PlutoPicks - July 4, 2026, 9:35 pm

Aithan is a good guy. Purchased the method earlier today, called me and gave me a detailed explanation. You'll easily make your initial investment back and more.

Why aren't you answering any of the questions listed on your thread? I'm serious and interested in this if you can answer mine and others questions

This does not involve selling something nor is it related to sweepstakes casinos

Can I ask how much you made from Aithan's tiktok method as well? I noticed you were also a buyer of Aithan's tiktok mentorship. This seems cool, but I don't live in Ontario unfortunately

Anyway this would get patched in Canada seeing as Ontario is the only province that is able to do it.

LittleBroBro - July 24, 2026, 8:49 am

Can we see people that bought post their earnings proof?

Wheezy Gang - July 26, 2026, 1:09 pm

Can you confirm if it only works in Ontario? Seen a few comments stating that

I will purchase and leave a review with detailed earnings IF you let MM hold funds until initial \$250

cost is earned. We can agree upon a timeline if after let's say 7 days I cannot provide valid proof the method did not work (The MM will make judgement on if my evidence is sufficient) the MM will release the funds to you.

PM me if you are interested and we can proceed ASAP

SandBlaze - August 17, 2026, 11:30 am

It says Iphone preferred, does that mean it can't be done with an android phone at all or it can but you earn less?

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
