16 years with HackForums. Felt like as if was yesterday that I joined this awesome place. Along these years I've made tremendous friends that I'm still in touch with.

JESUS i still remember you from way back in the day. Good to see some old faces still kicking around on here. :D

Mastercarder - June 28, 2026, 1:18 pm

Damn that is a very long time if you think about it lol. Quiet an achievement.

Wonder how old you are now (not trying to sound like a creep)

Deany - June 28, 2026, 1:31 pm

Grats on the 16 years, here is to 16 more !

Raijin - June 28, 2026, 2:27 pm

Hey I remember you. And you also have the 10 year award like me.

Pr0m3th3us - June 28, 2026, 3:29 pm

Cool man im running 11 myself

Wake - June 28, 2026, 4:17 pm

Congratulations on 16 years mate, nice to see you still around.

GrokD - June 28, 2026, 8:08 pm

Congratulations, 16 years joined here and still being active is a great achivements. Respect ?

Snowwy - June 28, 2026, 8:51 pm

Nice achievement mate. Well done.

Edmond Dantes - June 28, 2026, 11:18 pm

Nice to see you are such an OG Mr Niclaus :)

Rahul007rhp - June 29, 2026, 12:05 am

Congratulations on 16 years mate

bronzegods - June 29, 2026, 12:25 am

its good to run into an old fart once in a while. Congratulations for spending 16 years of your life on this forum.

Ram - June 29, 2026, 12:56 am

Good to see old members still stick here, in 2028 it will be 20 years for me on HF :)

Cap - June 29, 2026, 7:59 am

Congrats on the huge milestone! 16 years is a solid amount of time on here! Crazy it's been that

long already.

Jamika - *June 29, 2026, 10:38 am*

I don't think I've interacted with you before, but it's impressive that you've stayed active all this time.

Thanks for the lovely wishes folks. Whenever life takes a down turn, I turn towards HF. HF is a place that has partially built me to what I am today. Couldn't have done without this forum and it's brilliant folks.
