Thread: [Google positive reviews](#)

OrionDev - July 1, 2026, 11:37 am

Hello everyone,

I'm looking to buy some positive Google reviews, preferably from personal accounts. I'm looking for a total of 10-15 reviews without comments, offering \$5 per review. If the reviews come from German accounts and include text, that's a bonus.

Best regards, and feel free to DM me. ?

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Hello!

I am interested as well to get some positive reviews, but to avoid opening a duplicate thread, I ask those who can provide reviews to DM me. In my case, it involves a different country.
