Thread: [Support Operator / Operations Assistant](#)

shnshhn - July 1, 2026, 9:28 pm

Our team is expanding and we are opening a position for a dedicated Support Operator to handle communications with clients, issue resolution, and keeping the sales operations moving smoothly.

This is a long-term job in an active and structured team.

Prerequisites:

- Experience working with antideetect browsers and cookies.
- English fluency, either as your 1st language, or you are fluent at the level of a native speaker.
- Full-time commitment and a completely reliable online presence. You must be active and ready to handle incoming client inquiries with fast response times.

When you message me, start your first sentence with the word 'Blue' so I know you actually read this.

Send a PM with a brief description of yourself and prior experience to discuss the details.
