As of right now only 2 people gotten revoked, and I sold over 100 links in last 3 months. Will keep on replacing anyone that would get revoked until October of 26th (that's when the promo ends). Your account is 100% safe tho, no chance of ban or anything.

Sorry, missed your question.

The promo link itself is 18 months, you might have gotten it mixed up with our warranty period, which is 1 month, but the subscription itself might work for the 18 months.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
