Jesus. I love u long time. I send quick heart.

Reason: love u long time.

Lol I want the award so seeing someone with so many is annoying!

Jamika - July 9, 2026, 9:48 am

I honestly don't know why. Maybe I hate you too? I don't really remember.

Snowwy - July 9, 2026, 9:48 am

8200 posts and don't have the award is wild, I think I had it before 200 posts.

Posting like you have a mental disability is what gets quick loves.

Haha I'm gonna keep that in mind. I've never really pushed for awards before but I want it now.

I've had the award, I'm just boosting forum activity with autism.

Sent you a Quick Love, have a great day :)

It has come to my attention that me and [The Pact](#) are tied currently at 968. I would like to remind everyone that Pacty is a woman. Every single time you send her quick love you're basically cheating on your girlfriend/wife/hand, don't do that, give them to me with the hand you're not using.
